BLOEMPR DE NORRE

Remarks
ZA 08/24 is bred on dam side from the VERY BEST 2302 Bloem pair blood on offer. D2302 was probably the best breeding pigeon we ever owned. Her siblings are world class performers. Tremendous vigor, exceptional intelligence. There is not a single known loft that did not excel with the introduction of the 2302 Bloempr De Norre family. I personally regard this pigeon family as one of the greatest in South Africa!! It afterall made us 2 x Bloem Fed points Champions
