Remarks
ZA 219 was strategically line bred from half brother sister mating on the 1575 Brons oog cock's progeny and a Aunt/Nephew mating on the 7530 Kingslea hen. Both these lines continuously produce pigeons with outstanding racing and breeding values. Their strike rate on the DOUBLE UP method is FANTASTIC!! For the past 2 season we raced 37680 siblings for 9 continuous weeks on the GRUELING BHU East Route with 913 (2025) & 224752 (2026) finishing high in best birds.
