Breeder
SANSOM LOFTS

Strain/Family
AFTOON DE NORRE

Remarks
An absolute jewel for the breeding loft, this Blue Bar hen represents the pinnacle of selective breeding, carrying a 100% Proven Breeding Value. Her dam D3305 is the mother to ZA 224746 (currently 4th Yearling & 9th Overall Aces) on the ELPRC 2026 Grueling East route We contemplated her sale for some time knowing how rare it is to produce a bird of such immense foundation potential. ZA 23 is undoubtedly a dominant Matrix hen in the making.
